**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have enjoyed the benefits of a competitive broadband market for years. I have found that the smaller, local providers like Sonic provide much better customer service for a cheaper rate than large providers like AT&T. Though we are currently connected to a fiber network, we previously enjoyed competitive DSL. Please do not reduce broadband competition and customer choice!
